## SEA SAFARI

This day of adventure and exploration takes you to some of the most remote areas and villages on Banderas Bay's south shore. Smaller groups on this tour allow us to create a flexible schedule, providing an action-packed, fun-filled day for everyone. From speedboats to waterfalls to horses to beaches—this tour has it all. Visit two secluded fishing villages, accessible only by boat: Quimixto, with its beautiful waterfall, and remote Playa Pizota, where we will have a private beach paradise to ourselves.
