## SURFING SAFARI

### Learn to surf

Let's us take you to Punta Mita, just north of Vallarta, to some of the most beautiful beaches in the bay for an exhilarating day on the water learning to surf! This area is famous as one of the best places to learn to surf in all of Mexico with gentle waves and a sandy bottom. Our fun and professional surfing instructors will share their passion for surfing, teaching you all that you need to know to catch that magical first wave. This is a great way to safely enjoy the water, learn something fun and create some amazing memories.
